A Head Start on Event Planning!

It's Buck the Talking Deer!

Pictured here with Mandy and "Buck", it was a pleasure entertaining the folks at **MDA corporation** last December. Ray is one of the most popular magical entertainers for many Fortune 500 companies.

Happy New Year everyone! As well, 'thank you' to those of you who invited me to be part of your Christmas program or special event last year.

December as always, was a busy month! Recent appearances and engagements for family and adult performances included entertainment for **Skytrain, North Delta Rotary Club, The White House Design Company**, a *customized* dance-themed show for **Burnaby's Dance Addicts Studio**, and a fundraiser for the **Surrey Memorial Hospital**, to name a few. Money was raised for some badly needed hospital equipment and it felt good doing my share to give back to the community. Well, that's all for now. I'll be back at the **Boston Pizza (Big Bend location)** on Sunday nights starting in January. Until then, Best Wishes for 2012! *Ray*
